

MULLINS PROFESSIONAL GROUP

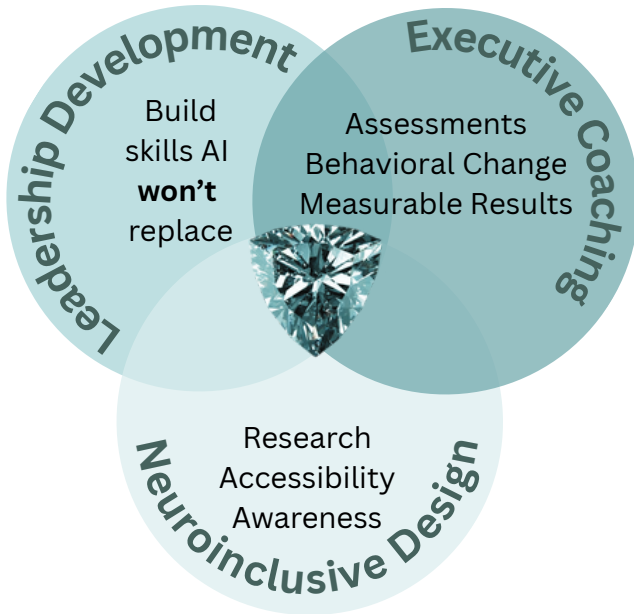

# Drive Employee Engagement and Retention with MPG

GO BEYOND BASIC STRENGTHS ASSESSMENTS OR WORKSHOPS. PARTNER WITH MPG ON **NEUROINCLUSIVE LEADERSHIP** PROGRAMMING FOR DATA-DRIVEN CHANGE AND LASTING IMPACT.

## Who We Are

Mullins Professional Group focuses on building better workplaces through a neuro-informed approach that considers neuroinclusive design. We arm leaders with the skills that continue to differentiate average from amazing leaders leveraging proprietary leadership development programming paired with executive coaching. Ultimately, we help you engage and retain great employees so instead of wasting energy on constantly filling roles, you can focus on your business.

## The MPG Approach

## Our Services

### Team & Leader Development

Master facilitators engage with participants in virtual or in-person workshops and programs. Topics include:

- Perspectives: The Impact of POV
- Lead with ADHD
- Emotional Intelligence
- Building Executive Presence
- Neurodiversity in the Workplace

### Speaking

Founder, Julia Mullins, presented at some of the largest conferences including SXSW and Grace Hopper Celebration. Popular topics include:

- Changing Your Perspective
- Breaking the Cycle: Toxic Leadership
- ADHD in the Workplace
- Building Executive Presence
- Neurodiversity in a Neurotypical World
- Emotionally Intelligent Leaders

### Coaching

ICF-credentialed coaches with training in ADHD coaching and neuroscience. Available for:

- Individual Coaching (3-6 month engagements)
- Team Coaching (ideal for intact teams)
- Group Coaching (group of employees with similar experiences, not connected through workplace reporting structures)
- Hogan Assessments: Insight Series, Leader Focus Series, and Emotional Intelligence
